

ASHLEY TIFFANEY

MULTI-MEDIA PERSONALITY

PRODUCER

MUSIC JOURNALIST

BIOGRAPHY

Ashley Tiffaney is emerging into a powerful media voice in hip-hop, pop culture and news. Ms. Tiffaney is a multi-media personality, producer, and music writer from Queens, New York. The media maven has worked in front of the camera and behind-the-scenes with video editing, writing scripts, and in the control room. Growing up, Ms. Tiffaney's father would always play hip-hop and R&B music around the house. Ms. Tiffaney began piano lessons at the age of eight. She grew a strong liking into all types of music, but mainly hip-hop and R&B. Some of her many talents are creative writing, graphic design and producing.

“I love listening and gaining new knowledge about hip-hop and its culture, especially 90’s hip hop and R&B. I want to visually keep that era alive with my work,” says Tiffaney. Her passion and love for the 90’s hip-hop era led to the birth of her hip-hop interview/documentary web series, Stay On TV. What started out as a college radio show in 2015, would soon grow to be a solid outlet for rising stars in hip-hop and urban culture in the tri-state area.

She has held a Marketing position at Sirius XM and is currently freelance reporting for media outlets. Her hopes is to help others share their story to the world and to do whatever else God has planned for.

With a degree in Creative Writing and Communications, her next sights are set on perfecting her On Air techniques, acting, directing and becoming a music executive.

Girl I just finished watching the
panel discussion that you posted
today and I really liked it Ashley. It's
really great to hear other peoples
experience in the the media field
especially black aspiring women.
Anything is truly possible if you put
your mind to it and work hard at it.
Nothing is ever too big and
everybody has there own path.
These are things that young girls
need to hear. Love it Girl!
